

Fresh air dispenser for toilet rooms

Battery-operated
2-year warranty

DAN DRYER air freshener is ideal to freshen up the air and maintain an odour-free restroom. The neutrally designed air freshener provides non-stop 24-hour air freshening within a 60-day constant diffusion of perfume thanks to the powerful ventilator with timer. The dispenser is battery-operated with 2xAA batteries and different fragrances can be purchased separately and refilled. The fresh air dispenser is very hygienic and covers all odours within a 20m³ area.

Application

DAN DRYER fresh air dispenser is suitable for toilet rooms with a high visitor frequency. The dispenser activates every 10, 20 or 30 minutes, running for a 1-minute cycle, and diffuses perfume without spraying.
